Truth and Reconciliation

Thank you to Manning Metis Local 2020 and Alberta Advanced Education for the generous gift of orange shirts, sashes, and this display educating on the history of Residential Schools. Students and staff wore orange on September 27th to reflect on the ways our actions and words can lead to an increase in reconciliation.

Terry Fox Run

On September 26th, students and staff kicked off their Terry Fox run/walk with a video in the gym reminding them of who Terry Fox was and why we still run today. Paul Rowe participants then raced a route in support of those affected by cancer and cancer research. Juice and muffins were enjoyed by all after the run.

Big thanks going out to our gr. 10 PE class for acting as course marshalls and to Mr. Olischefski for organizing our event. Thank you also to everyone who participated in "Toonies for Terry" and congratulations to our draw winners: Emma Kelemen, Ariah Reinders and Wesley Virag.

A big thanks this month going out to:

- Neil's General Contracting and the Manning Family Worship Clothing Store for their generous donation toward our schoolyard development.
- The senior girls volleyball team would like to thank all those who donated to their bottle drive!
- Our students would like to thank all Food for Thought volunteers this September!

Questions about PowerSchool?

PowerSchool is a secure web-based student management system that allows parents and guardians to monitor their child's progress and attendance in their classes.

Each September, and as new students enroll, the school office will send parents/guardians information on how to access the PRSD PowerSchool Parent Portal. **This information will include a unique username and password.** Parents/guardians may also contact our school office at any time to request their user information.

Parents and guardians who do not have access to the internet are welcome to contact the school office at 780-836-3397 to make individual arrangements for student reporting.

- ✓ Access to Resources

STARTS SEPT 27TH

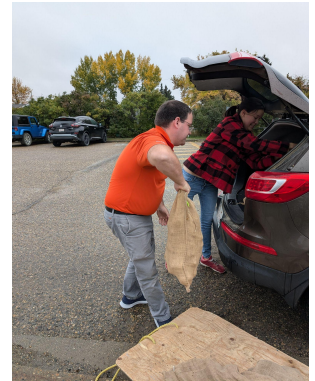

September School Events

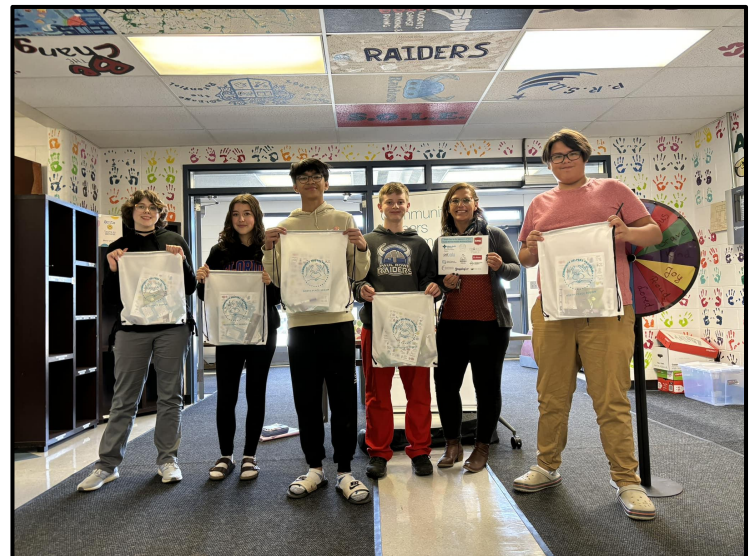

Last year's Jr. High Gardening class planted veggies in the spring in a community garden plot as part of their course curriculum. This fall Mr. Bullen's family as well as Mr. Taylor's Outdoor Ed. class harvested a bountiful collection of spaghetti squash, carrots, swiss chard, cucumbers and potatoes that were donated to the Manning and Area Food Bank!

Way to go Raiders!

Lilli Lungard, our Community Helpers Program Facilitator, visited our school to play a 'recognize your emotions' game with Ms. Perrier, our Student Support Worker. There was a lot of excitement as students spun the wheel of feelings and picked out prizes after completing the quiz. Check out more information about the PRSD program here:
